- Snow systems greater than 15cm –completion time lines will not be guaranteed
- The winter service contract is from November 15th until April 15th.
- At a client's request, we can return to clear entire laneway once vehicles are moved within 24 hours after an event. May be Subject to a fee.

Walkway Clearing

- If hand shoveling is included in your contract, walkway crews come once per snow event within 24hrs upon completion of the snow event, unless otherwise stated on your contract.
- Shoveling crews are scheduled separately from the driveways and will occur at different times.
- Front walkway service-includes one entrance to your home, from the driveway only. **Not in front of your garage.**

Note:

- Walkway crews are restricted from operating in close "proximity" to stationary items for the protection of client's property.
- Moving large amounts of snow from confined/ restricted areas where the depositing of snow is not in close proximity will not be moved until the obstacles are removed. This is for the health and safety of our crews.
- Call backs for errors or omissions must be made within 24hrs of the completion of the event –after that point a fee will apply

Laneway Clearing

- Customer is responsible to facilitate access of equipment to laneway by removing cars, garbage cans or any other obstacles to garage or to the street. We will not make return visits for clearing behind objects
- Your laneway will be cleared up to the first "object" in your laneway.
- Equipment is restricted from operating in close proximity to all stationary objects to avoid damage to property.
- It is the homeowner's responsibility to clear snow accumulation approximately 1-3 feet remaining adjacent to including but not limited to; retaining walls, houses, fences etc. After the machinery has left the laneway.

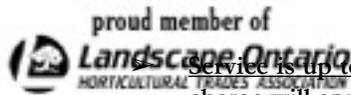

City plow Debris

- A visit to clear city plows debris as promptly as possible within 24hrs after the snow event, can be prompted by a message via our customer contact form on our website.
- City sidewalk plow debris will only be cleared if it is concurrent with the clearing of city street plow debris
- At the customer's request city plow debris or sidewalk plow debris can be cleared at a later time (when not within 24hours upon completion of a storm). This will only be prompted by the client calling or using the customer contact form on our website and may be **subject to a fee**
